Our strength is your insurance

Andrew Chick

As we enter 2026, we extend our sincere thanks to our growing community of new and returning members. Your trust and engagement remain the foundation of our mission and our success.

This year, our focus is simple: maintain our strength and continue advancing with purpose. We're proud to serve our ever-growing base of active members and to stand firmly within the legal community through strong bar association relationships, valued vendor partnerships, California Law School collaborations and the dedication of the Lawyers' Mutual team.

We remain committed to delivering innovative tools, relevant CLE content through LMIC+ and exciting new member benefits through new partnerships that embrace and support our vision.

Here's to 2026. Our members are our greatest asset — and together, our strength is your insurance.

Sincerely,

Andrew Chick
